ABOUT US

Motorcycle Accessory Hornig GmbH

is a family owned business in Bavaria, Germany, with 12 employees (2010) and specialized in **BMW Motorcycle Accessory**.

CEO:

Helmut Hornig (second from the left side), born 1959, mechanical engineer and BMW Motorrad Fan, made his passion to his profession and is supported by 12 motivated employees and his family.

PR Manager:

Tobias Hornig (second from the right side), born 1985, Business Master Student at University of Regensburg, Germany

WHAT ARE WE DOING

We are producing special parts and accessories for **BMW Motorcycles** since 2001. Our business grew out of our very strong love for motorcycles. This was the base for the idea that has grown since then to provide you, our customers, with the best selection of parts, accessories and even special one-off products from old right up to the latest BMW motorcycles.

Our head quarter is located in Ritzenried, Germany. Our customers can order through our online shop http://www.mhornig.com, phone, fax, email or in our retail store.

Construction area in Cham, Germany, opening spring 2011

New address from spring 2011:

Motorcycle Accessory Hornig GmbH Gewerbepark Chammünster Nord C5 93413 Cham Germany

OUR PRODUCTS

- Prototype developing and testing of **GRP and Carbon Fibre Fairings**, of **Bags and Luggage Systems** and lathing and milling of **aluminium**.
- as well as serial production of aluminium items
